

INTERNET ACCEPTABLE USE POLICY

INTERNET USE POLICY ~ GRADES 7-12

The goal for Willow Creek School District 15, J15 - 17 is to provide all Willow Creek School students and faculty with the opportunity to access the wealth of information provided by the Internet. At this time, the district provides limited use for educational purposes. People who operate the system have access to all electronic mail, therefore, E-Mail should not be considered private.

Willow Creek School District 15, J15-17 assumes no control over the content of the Internet. While a small percentage of Internet sites may contain material, which might prove offensive to or be inappropriate for some users, we believe the benefits from Internet overshadow the possible contact with non-educationally appropriate material.

To qualify for Internet access, student and parents or guardians must read, sign, and return this Acceptable Use Policy. No student's work will suffer adversely should Internet accessibility be denied. Alternative printed materials will be provided. Internet access will not be granted until this signed policy is on file at the Willow Creek School Office.
